The Best in the Business

My first experience was very remarkable, Mystique made sure she examines my hair thoroughly prior to putting any chemical in my hair. Mystique cares about the maintenance of your hair; she makes sure she satisfies all her client needs. I have been going to Mystique over 10 years now and I always leave her shop as a happy client. Mystique has always offered a comfortable and professional atmosphere. She is the BEST stylist ever!!!

"I started becoming a client of Mystique's in December of 2012. I was referred to her by my best friend who happened to be a long term client of hers already. I came to her during a time when I wanted to make a change from wearing my long hair to wearing a short cut style. It was a drastic change for me, but Mystique made me feel very comfortable. I'm happy to say that I have been a client ever since!

I appreciate the love and care that she has for maintaining healthy hair. She comes up with creative styles to fit your face and to match your overall personality and style. She is a well-rounded stylist and I would refer anyone to her. Overall, she is a beautiful person that creates beautiful hair".

I have been a client of Epiphany Hair Salon for the last 13 years. It is with great pride that I share the style and quality of her work as often as I get the opportunity. Mystique separates herself as a leader in this industry in the Tampa Bay area by constantly attending workshops and elite hair shows that enhance her quality skills and talents. Over 13 years, I have been approached by strangers, friends, co-workers and many more to simply to inquire "who is your stylist" ? Referrals have always turned into clients and new members to the Epiphany family. Most notably, the quality that I enjoy most about Epiphany, is not only do I always have a head turning hairstyle, I can count on the character and high integrity of my stylist. My appointments are timely and my experience "spa" like. If you are looking for style, quality, and cutting edge styles, colors, cuts, and weaves, then look no further than Mystique at Epiphany Salon!
